Description

A unique and rare opportunity to purchase a Widebeam Barge of this proportion. Built by French & Peel in 2002 and refitted in 2021/22 by her current owner, 'The Pit Stop' has been fully refurbished to a high standard with a modern and contemporary feel throughout and presents in next to new condition. Perfectly equipped for use as a mobile cruising home and suited for larger rivers and the waterways of Europe. Both the forward and aft decks are open to the accommodation by way of bi-fold doors, plus a large roof terrace offers excellent outdoor lounging areas for entertaining. There are three good sized double bedrooms; the master cabin has its own en-suite, while the two mid cabins share the WC/Shower room between them. There is a large reception area forward between the port and starboard side doors, which also doubles up as an office space or further lounge/galley.

Widebeam

A unique and rare opportunity to purchase a Widebeam Barge of this proportion. Built by French & Peel in 2002 and refitted in 2021/22 by her current owner, 'The Pit Stop' has been fully refurbished to a high standard with a modern and contemporary feel throughout and presents in next to new condition. Perfectly equipped for use as a mobile cruising home and suited for larger rivers and the waterways of Europe. Both the forward and aft decks are open to the accommodation by way of bi-fold doors, plus a large roof terrace offers excellent outdoor lounging areas for entertaining. There are three good sized double bedrooms; the master cabin has its own en-suite, while the two mid cabins share the WC/Shower room between them. There is a large reception area forward between the port and starboard side doors, which also doubles up as an office space or further lounge/galley.

Price reduced from £248,500 to £225,000 March 2026.

Accommodation

The accommodation can be accessed from double doors located on both port and starboard sides towards the bow. Upon entering the reception area (4.6 x 3.4m), which houses galley style cupboards, the area offers plentiful storage space, work surfaces, and a stainless steel sink. There is a utility room housing the washing machine/boiler. This cabin also doubles up as the helm, with an electrically operated platform that raises to access the boat's navigation equipment and steering helm.

From this cabin, walking towards the bow, you have the main bedroom (3.6 x 3.2m) hosting a full-size double bed

and cupboards all around, incorporating an en-suite and wardrobes, with double bi-folding doors onto the bow deck seating area.

Walking back towards the stern, through the reception area, you access the hallway (6.3 x 0.9m) on the port side with more storage cupboard space, leading to a further 2 cabins with a good-sized WC/shower room between them: cabin 1 (3.5 x 2.1m) which has a work station that could accommodate more guests or be used as an office, and cabin 2 (3.5 x 2.8m) with a double bed and fitted wardrobes.

The main bathroom (1.9 x 1.4m) houses a full-size shower, vanity units with a 600mm ceramic sink, and a full-size toilet, with a chrome towel radiator.

Walking back to the hallway towards the stern, you find yourself in the open plan galley/dining/saloon (5 x 4.6m). This beautiful living area accommodates work surfaces, plentiful cupboard space for all your cooking needs, arranged in an L shape with a large integrated fridge/freezer, microwave, gas hob/double sink. The room houses a dining table and double settee, with a cupboard for the TV, following on through the bi-folding doors onto the outside deck seating area. This area also provides access to the roof terrace via steps.

The roof area of the boat incorporates a stainless steel railed-off area for you to entertain your guests.
