Features

Rand Picnic 18 Electric Outboard

2018 Rand Picnic 18 complete with Torqeedo Cruise 6.0 RL electric outboard (outboard upgraded from 4.0 in 2022). One owner from new. Lying Chertsey. Dealer approved.

Picnic 18 has an ultrasimple approach to leisure activity on the water. Designed around the focal 62 x 145 cm centre picnic-table the 18ft open day cruiser is the perfect platform for plug-and-play social experiences on water, and has bonded friends and families through early brunch outings to late night swims across the world since its launch in 2015.

The Picnic 18 seats up to a remarkable 10 passengers in total and starts at an unusually low weight making it especially popular with the low powered electric engines for easy cruising through canals, lakes, and coasts.Â

Specification

FOREDECK The Picnic 18 front deck is flat for reasons of aesthetics and usability. The flat surface makes it easy to move across when boarding, un-boarding, docking or un-docking. The foredeck is, however, not to be stayed on when the boat is in speed.

PASSENGER SEATING ROWS

PICNIC TABLE WITH SAFETY GRAB RAILS

COCKPIT DRAIN HOLESÂ

SUN LOUNGE The sun lounge is activated by lowering the adjustable table legs, positioning the sun lounge plates in the space between the table and seating rows, and spreading across the sun lounge cushions.

BIMINI TOP The bimini top is activated by inserting the four aluminium rods into the cups mounted on the freeboard edge, and tying up the bimini top canvas with each corner onto each respective rod.

POSITION AND NAVIGATION LIGHT

BATHING LADDER A click-and-release swim ladder can be mounted into the right side of the bathing platform which is easy for all to use and can be ejected from the water.

Factory Fitted Extras

Torqeedo Cruise 4.0 Electric outboard

9.1 kw gel battery
Cup holders
Passenger back rest
Boat cover
Sun lounge
Bimini top
Fenders and mounts
