Features

Brig Navigator 20

Brig Navigator 20: The Navigator 20 may be the most compact of the line-up, but it packs a punch when it comes to performance, versatility, and adventure. Its deep-V hull and rugged construction provide a smooth, stable ride, while the efficient layout ensures maximum comfort and usability for both the captain and passengers.

Designed as a fully customisable platform, the Navigator 20 can be tailored to fit your needs. Whether set up as a nimble fishing boat with angling accessories, a fun-loving watersports vessel, or a compact cruiser for small groups, it offers flexibility without compromising on performance. The open deck and ample storage make it practical and easy to use.
