Description

The Sunseeker Predator 62, located in Southampton, UK, and built in 2007, is an impeccably maintained yacht, presenting an outstanding example of the model's luxury and performance. Measuring 19.63 metres in length with a beam of 1.52 metres, this vessel boasts exquisite craftsmanship and a lavish interior, evident in the detailed photographs. Equipped with a hydraulic bathing platform, underwater lights, teak finishes, and advanced electronics like Garmin systems, the yacht offers both elegance and functionality. Additional amenities include air conditioning, Wi-Fi, a Bose audio system, a Kohler generator, and an aesthetically pleasing salon. The accommodation comprises a luxurious owner's cabin, a VIP bow cabin, and a guest cabin, all featuring Smart TVs. With minimal ownership and low engine hours, the yacht has been privately used and is fully licensed for charter, reflecting its pristine condition and appeal for those seeking a timeless Sunseeker experience.

This Sunseeker Predator 62 is a truly exceptional example of the model, beautifully maintained and presented in outstanding condition.

Step inside and take a look at the interior photographs, the craftsmanship and finish are simply stunning. Every detail reflects the care and attention this vessel has received throughout her life.

With minimal ownership history and low engine hours, she has been lovingly maintained rather than heavily used.

Although fully licensed for charter, her usage has been private, and the condition clearly reflects this.

This Predator 62 really does need to be seen to be fully appreciated.

A remarkable opportunity for anyone seeking luxury, performance, and timeless Sunseeker style.
