Description

The Princess 52 Flybridge, available for sale in Turkey, is a 2015 model measuring 16.70 meters in length with a beam of 4.61 meters. This yacht has been meticulously maintained, with service records handled by the local Caterpillar dealer and available upon request. Exclusively used for private purposes and never chartered, it has low engine hours at just 680. Its features include a Cummins Onan 19kW generator, a water maker with a capacity of 180 liters per hour, and six semi-flexible SunPower solar panels, all in excellent condition. The battery system has recently been upgraded, and the yacht is fully equipped and ready for immediate use without the need for additional maintenance.
