Features

Summary

The Monterey 180 Edge is a compact 18-foot bowrider (runabout) designed primarily for day cruising, watersports, and family leisure use, considered an entry-level recreational powerboat with a good balance of performance and usability.

Key characteristics

- Type: Bowrider / runabout powerboat
- Length: ~18 ft
- Beam (width): ~7 ft 6-7 in
- Hull: Fiberglass, planing design
- Engine: 135 hp MerCruiser 3.0L (inboard/outboard sterndrive)
- Capacity: Around 5-6 people

Covers

- Bow Cover
- Tonneau Cover
- Bimini
- Overall

Layout & features

The 180 Edge follows a classic bowrider layout:

- Open bow seating in the front for passengers
- Cockpit seating with helm bucket seat
- Back to Back Sunlounger conversion
- Aft bench/jump seats that can convert into a sun pad
- Integrated swim platform with ladder for easy water access
- In-floor ski locker for watersports gear
- Helm with gauges (speedometer, tachometer, switches, depth gauge, CD player)
- Teak Table™s designed to maximize usable seating and social space within a smaller footprint.

Performance & handling

- The hull uses a planing design, meaning it lifts and skims over the water at speed for efficiency.
- With ~135 hp, it offers moderate performance-enough for:
 - Cruising
 - Tubing
 - Light watersports
- Also used at slow speeds on the river

It's not a high-power wake boat, but it's suitable for casual recreational use.

Typical uses

- Day trips on lakes, rivers, or calm coastal waters
- Family outings or small groups
- Watersports like tubing or beginner wakeboarding/skiing
- Anchoring and swimming (helped by the swim platform)

Overall description

In simple terms, the Monterey 180 Edge is a compact, affordable, and easy-to-handle leisure boat. It's popular with first-time boat owners because it offers:

- Simple operation
- Manageable size (towable and easy to store)
- Enough space for a small group
- Versatility for both cruising and light sports
