Description

This Bayliner Element CC7 is a a very clean example of a centre console boat with an open deck layout. The hull is based on the M-Hull construction, which is designed for high initial stability and a smooth ride in the water. The centre console allows free circulation from bow to stern and facilitates movement on board. There is all-round seating with integrated storage space in the bow and stern. The steering position is centrally located and offers clear instrumentation and direct access to the controls. The outboard engine ensures easy maintenance and a clear stern area. this boat has additional equipment such as a bimini top, fishing rod holder and cool box, the CC7 offers more deck space with ample storage, seating and sun lounging The Bayliner Element CC7 is aimed at users who are looking for an open boat for day trips, fishing and leisure use.
