Features

Ribeye

The Ribeye A683 Custom Hypalon is a premium, high-performance rigid inflatable boat engineered for offshore capability, sea-keeping comfort, and luxurious day-cruising. Built to an exceptionally high specification as a factory demo model, this vessel pairs an aggressive deep-V hull design with high-density Custom Hypalon tubes for maximum durability and stability in rough coastal waters.

Powered by a Yamaha F225 DBW (Drive-by-Wire) outboard engine, the A683 delivers smooth throttle response, rapid planing, and reliable performance. The helm is equipped with an upgraded 12-inch Garmin leisure navigation suite, dashboard-mounted VHF, and a Fusion premium Bluetooth audio system, giving the captain total control and clear instrument visibility.

Designed with versatility in mind, the deck layout maximizes guest comfort and social space:
