## Sessa Marine C35 HT

---

Price: £199,950 inc Vat

Sessa C35 hardtop cruiser. First sold new June 2012 (2012 year model) with very little use. Second owner used her for just 1 year in Mallorca. Third owner has used her on the River Thames. The internal layout has been designed to allow the owner a huge freedom of choice. To live in an 'open space' due to a large common area & a single cabin or, by using the partition, to create two equally spacious cabins, one at the bow & the other at the stern, each equipped with private access to both the kitchen & the bathroom. Comes complete stereo upgrade to Fusion, 2x TV/DVD's, Raymarine VHF, ropes, fenders - she is ready to go! Very clean example of this popular cruiser & well worth a viewing. Dealer approved. Lying Chertsey.
